SENIOR PROJECTS

- Created a job search web application for West Africa YSA.
- Developed a Time-based mathematics quiz for a hoop camp.

VOLUNTEER

TEAM LEADER

REPACKAGING HOUSEHOLD DRINK

Edo State, Nigeria.

WORK EXPERIENCE

- **Cable Installer [Netcom, Idaho State University]**
2016 – 2017
My first year at ISU I got a job to work as a cable installer with a team I worked with. We as a team figure cable connections and distribution in campus buildings.
- **Assistant Manager [Electronic repair]**
2011 – 2015
Establishing good relationship with my coworkers, I was able to create a friendly relationship which resulted in a more productive environment.
- **Teacher Assistant [Brigham Young University]**
2020 – 2021
Currently work closes with my professors in mentoring students through each semester on Web Development courses. I have had students do relatively well through this position.
